Please note that attendance at all live sessions is mandatory.

- Crisis Response trainees must be successful in acquiring the knowledge and skills necessary to actively function within this vital role.
- There are additional self-directed modules that must be completed each week in addition to the live sessions.
- Role play practice and assessment sessions provide trainees with the opportunity to take their learned knowledge and actively apply it.
- Trainees will continue to receive feedback throughout the training process before a final decision re: suitability for the program is met.
